Manor Walking Club

6/1/2019

Recent committee decisions, by e-mail exchanges.

1. The dates for the 2019 summer programme will be published, using the same pattern of days as has been used for the Manor Gatehouse Club.

2. There will just be one category of membership for the new club, regardless of the amount of use/attendance of a member.

3. Security certification (SSL) will be purchased for the website, at a cost of less than £50.00 per year.

4. Jim Pratt will be asked to examine the accounts of the Club for the first AGM. Thereafter, the appointment of an examiner will be made at an AGM.

5. At the first AGM, a Chair Elect for 2020 will be appointed. The committee will give some thought as to who may be approached for this (and volunteers will be sought).

6. Some inexpensive business cards will be purchased, using one of the logo designs submitted by Joe Rae.
